

UC 10957 10F

TO: F. Claydon, IE Interim Chair
FROM: C. Chung, IE Undergraduate Program Director
SUBJECT: Deletion of Obsolete IE Courses

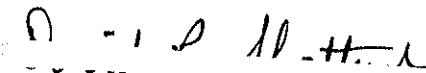

DATE: 15 SEPT 2010

APPROVED DEC 08 2010

RECEIVED OCT 14 2010

1. Dr. Betty Barr distributed University Undergraduate Council instructions on deleting multiple obsolete courses during the College Undergraduate Committee meeting on 14 SEPT 2010. Multiple obsolete courses need not be submitted on multiple CBMs, but may be submitted in memo format.
2. The following obsolete INDE courses have not been taught in several years. There is no indication that any of the listed courses will be taught again. I request that the listed courses be deleted in the 2011-2012 course catalog according to their title, course ID and start date.

INDE 3431	Materials Processing I	028109	08/16/2001
INDE 3334	Industrial Engineering Fundamentals	028085	08/19/1989
INDE 4333	Operations Research II	028132	08/16/2001
INDE 4364	Engineering Statistics II	028142	08/16/2001
INDE 4371	Operations Research I	028150	08/16/2001
INDE 3335	Distribution and Logistics Information Systems	028088	08/25/2003
INDE 4311	Distribution and Logistics Systems: Performance Analysis	028124	08/28/2003
INDE 4321	Distribution and Logistics Systems: Design & Strategy	028127	08/25/2003

Dean's Signature: 
Dr. David P. Shattuck
