Current Catalog Language

C- Rule

A minimum grade of C- is required for degree application and for advancement to the next course in theory, aural skills, class piano, and music theory sequences, with the exception of the final course in each sequence.

Proposed Language

C- Rule

For all MUSA, MUSI, and MUED courses required for the music major or minor degree, with the exception of ensembles, students must earn a grade of C- or better in order to apply the course toward a Bachelor of Music, Bachelor of Arts in Music, or a minor degree in music. Furthermore, a minimum grade of C- is required for advancement to the subsequent course in all sequential courses.

Justification

The widely perceived feeling among faculty is that music majors and minors should earn satisfactory grades in degree applicable music classes.
