D Simon Bott had announced that Sarah Fishman was a Manor of Speaking guest commentator on PBS' Downton Abbey last Sunday night.

E Larry Williams reminded the UC that his term as chair will end this August. He asked that the UC begin thinking of nominees to serve the next two-year term.

III Administration Representatives' Reports

A Steve Soutullo, Enrollment Services

ORD is next Wednesday, January 29, 2014. Spring enrollment is 37,577 (2% down). Graduate enrollment is up by 1.6%.

Charles Peters inquired about fresh enrollment numbers which were down when comparing data from fall 2012 and fall 2013. Steve mentioned that there may be several factors for the change (i.e., high school students taking dual credit courses, students taking lower level classes at community colleges, etc.). He also said his office would need to research further to look at why numbers aren't syncing.

B Debbie Henry, Registration and Academic Records

The remaining RAR staff at E. Cullen will move to Energy Research Park this Monday and will have limited communication during the move.

Amy Ramirez is working on the Curriculog coordination of the CBM003 forms, user roles, and training. Jerry Waite requested that a demo be scheduled so that UC members can see how the anticipated workflow system operates.

Debbie Henry asked the UC how the myUH grade change component is working. Grade change exceptions will still be handled by paper form. Debbie asked the UC to email her suggestions to improve the grade change process.

C Djuana Young, Office of Admissions

Her office is already admitting students for fall 2014. NSO/ART registration web site will open February 15, 2014. She will send Jeanette Morales the NSO/ART dates to share with the UC.

D Sal Loria, Scholarships and Financial Aid

The office of SFA disbursed over 360 million dollars in financial aid for fall and spring. SFA is meeting students' expectations despite the federal restrictions.

Sal announced that the verification processes has been improved by adding a new component where students can view a list of documents needed by SFA and upload the document.

Scholarship recruitment process is being reviewed.

IV Update on UC Workflow Process Timeline

Larry Williams informed the UC that the UC Workflow process timeline has gone through the UCC and the responses that were gathered from the campus groups were varied. According to Teri Longacre, the proposal is still under provost review.

VII Old Business

Teri Longacre, Vice Provost and Dean for Undergraduate Student Success, mentioned that her office is moving forward on flat tuition, four year degree plan template, and graduation agreement. The Foundation of Excellence first year experience steering committee will begin reviewing the philosophy dimension committee report. By mid-March 2014 the dimension committee work (nine committees) should be finished. In May 2014 the action plan should be ready to build. Close to 200 faculty, staff, and students participated in the dimension committees. There are plans to continually obtain input from the UH community who didn't get a chance to participate in the dimension committees.

VIII New Business

Debbie Henry asked the UC members if they had experienced using the waiting list component in the myUH system.

IX Adjournment

Meeting adjourned at 4:27pm.
