Dear UCC:

Please allow my committee time to respond to the SGA proposal. We expect to have a recommendation available for the University community in early June, at the latest. We have begun to meet, and are currently collecting factual information. When this process is complete, we will then invite the group that proposed the SGA resolution (the Students Against Sweatshops (SAS)) to make a policy proposal to the committee. After that presentation, we will invite the SGA to make a presentation as to why they support the SAS resolution. We will then formulate a policy recommendation.

If you have any questions, please feel free to contact me at x33812, or at scraig@uh.edu. Thank you for keeping us in the loop.

Steven Craig
