It's always hard to oppose a good idea just because it has a cost attached to it, but at this time I think that we should be doing everything we can to encourage employee fitness short of increasing direct costs. I support the activities in section 3, but not the release time program in section 3.4.

Dear Dr. Carlucci:

The purpose of the University Coordinating Commission (UCC) is to facilitate discussion throughout the University Community on proposals that have been formulated but not yet approved. The UCC will try to ensure that proposed policies and procedures will be available to those university groups for whom they may be relevant, as quickly as possible.

The Staff Council has submitted a proposal titled Employee Wellness Program Policy, and the UCC has decided that this proposal may be relevant to your group. Please review the attached document and, if relevant, relay your comments and suggestions to the group making the proposal no later than 3/27/2009. Copies of dissenting opinion should be forwarded, in writing, to the originator of the policy and the UCC ([scoltharp@uh.edu](mailto:scoltharp@uh.edu) and [ucc@uh.edu](mailto:ucc@uh.edu)) by the date noted above.

Finally, please complete the information below and e-mail it to Jeanette Morales, [jmorales@uh.edu](mailto:jmorales@uh.edu).

Sincerely,

Dan Wells, Chair

University Coordinating Commission
