

VETSUCCESS on CAMPUS

The VetSuccess on Campus program is a collaborative effort between The University of Houston (UH) and the Department of Veterans Affairs (VA) with the purpose of providing a supportive on-campus environment for student Veterans and their dependents. Services provided will enable them to make a smooth transition to college life and successfully complete their educational programs.

The VA has placed a full-time, experienced Vocational Counselor on the UH campus. This counselor will serve as a “**one-stop VA liaison**” for Veterans, active duty military and their eligible family members who attend or plan to attend UH.
