

Spectra Energy Corp. Interviewing for Engineers

Spectra Energy Corp (NYSE: SE), a *FORTUNE 500* company, is one of North America's premier natural gas infrastructure companies serving three key links in the natural gas value chain: gathering and processing, transmission and storage, and distribution. For nearly a century, Spectra Energy and its predecessor companies have developed critically important pipelines and related infrastructure connecting natural gas supply sources to premium markets.

Spectra Energy will be interviewing for Engineers at the University of Houston on March 16, 2011. Students interested in interviewing can apply online with the Career Services Center.
