

## **Spectra Energy Corp (NYSE: SE)**

A FORTUNE 500 company, Spectra is one of North America's premier natural gas infrastructure companies serving three key links in the natural gas value chain: gathering and processing, transmission and storage, and distribution. For nearly a century, Spectra Energy and its predecessor companies have developed critically important pipelines and related infrastructure connecting natural gas supply sources to premium markets.

Spectra Energy will be interviewing for Commercial Associates Programs for full time and interns at the University of Houston on October 12, 2011. Please post these details within your department. Students interested in interviewing can apply online with the Career Services Center.
